AUTHORIZATION AND CONSENT TO MEDICAL TREATMENT

Understanding that my child may need emergency medical treatment during school hours or at school activities while she or he attends Blessed Trinity Catholic High School, I authorize the School, through its nurse, certified athletic trainer, team physician or other qualified person, to administer such first aid or other minor medical treatment as shall be deemed best under the circumstances, and I consent for my child to receive such treatment. I understand that the School will attempt to notify me or my spouse in the event of an emergency requiring immediate medical care for my child, and if the School is unable to notify me, it will have my child treated by a duly qualified physician at the nearest emergency facility. This authorization applies to all school sponsored programs. I acknowledge that it is my responsibility to keep my child's records current to reflect any communicable disease. I also understand the obligation to provide medical insurance for my child rests with me as a parent.
