If you know of an organization that is not currently on the approved list but would qualify for Works of Mercy (see categories listed above), please contact Ms. McCarthy so it can be reviewed for approval and added to the list. **Minimum of 10 works of mercy service hours are required but students can do more – even all their service hours in works of mercy.**

Other Service Hours (not Works of Mercy): Service opportunities performed with one’s church, school and/or community that are not Works of Mercy are eligible for a maximum of 5 hours credit toward the service requirement.
